			Cole Archer	96 (48/48)	
			Kyle Mindrup	97 (49/48)	

COACHES COMMENTS

We were able to get solid performances from many of our golfers today. JD Gall continued his consistent play, but the highlight of the day was the play of Connor Pfannenstiel and Logan Kelly. Both players were able to smash their previous career low round, and Connor was able to earn his 1st individual medal at the varsity level. We are improving, but need to find the consistency from all golfers to put together a solid 4 man team score. Hopefully, the momentum we started today will continue heading into the post-season, starting with MCL at Hill City on Thursday and the Regional Tournament at Goodland next Monday.
